### ***About Life Steps Foundation in Southern California***

Headquartered in Los Angeles, Life Steps Foundation (LSF) is a nonprofit providing programs and services that empower children and adults with developmental disabilities to achieve their full potential. Our trained, caring staff for early intervention for children diagnosed with delays in Los Angeles County to increase their learning abilities, foster communication and socialization skills, and maximize mobility. LSF also assists the adults we serve in the counties of Los Angeles and Orange to develop the life skills necessary to live as independently as possible, advocate for themselves, and achieve life goals that they establish.
